

Catholic Schools

Register for 1981-82

Catholic elementary schools throughout the Diocese of Rochester will be holding registration during the first week of March. Classes range from pre-school through grade eight. Bus transportation is provided free by the school districts within a 15-mile limit.

Parents wishing to register children should present birth and baptismal certificates and immunization records. Those wishing further information should contact their parish school or the Diocesan Office of General Education, 328-3210.

An Education for All

Each child is a person whose integrity rests upon the fulfillment of his potential, and great care is taken throughout the school program to provide growth in Christian belief, values and attitudes.

Education is provided by a competent and dedicated faculty composed of both religious and lay teachers. Staffs are enriched by art, music and gym teachers.

The services of a school nurse, speech therapist, Title I teacher, librarian, psychologist and social worker are available to our schools.

The religious programs in all grades strive to teach children the fundamentals of our faith and to foster a love of God and neighbor through prayer, liturgy and life experiences.

Strong emphasis is placed on the child's preparation for the Sacraments of First Penance, First Communion and Confirmation.

Christian courtesy, self-discipline and respect for others reflect the values of our schools.

Our philosophy is to establish learning objectives and
