HAPPY EASTER FROM AQUINAS

Life
 leaps with a darting sparrow
 Earth
 parts as the young green stalk
 breaks to the Light
 the bright warmth bathes the
 budding bursting blossoming
 A shy petal
 ventures into the glory
 twittering birds call the flowers to
 Life
 death dies, life lives
 an empty tomb in the season of morning
 ends the season of mourning
 He is risen

Easter's here once again.
 A time to share with family and friends.
 A time to bless all that we love,
 And thank our Father up above.
