HAPPY EASTER FROM AQUINAS

Life
leaps with a darting sparrow
Earth
parts as the young green stalk
breaks to the Light
the bright warmth bathes the
budding bursting blossoming
A shy petal
ventures into the glory
twittering birds call the flowers to
Life
death dies, life lives
an empty tomb in the season of morning
ends the season of mourning
He is risen

Easter's here once again.
A time to share with family and friends.
A time to bless all that we love,
And thank our Father up above.
