THE CHALLENGE MISSIONS IN SELMA, ALABAMA MISSION PROJECTS

UNITY IN MISSION: Those who sincerely accept the Good News and who have been gathered by it into the community of salvation, can and must communicate and share it with others.

UNITY IN MISSION: Evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new.

UNITY IN MISSION: The proclamation of the Good News reaches full development when it is listened to, accepted and assimilated, and when it evokes a genuine commitment in the one who has received it. Those whose lives have been transformed enter a community which is itself a sign of transformation, a sign of newness of life.

UNITY IN MISSION: Young people trained in faith and prayers must become more and more the apostles of youth.
