The future business women from Nazareth proudly display their state trophy.

FBLA Members Shine

According to Nazareth Academy sources, the school's Future Business Leaders of America Chapter (FBLA) went to the state convention at Kiamesha last month and received enthusiastic reception from the state organization. In the competition for first-year FBLA chapters, Nazareth Academy came in third for the state.

The award was based on a point system which counted

field trips, community service, participation in local competitions, and presentations to organizations outside the school.

Those who attended the three day conference were: Kim St. George, Sandy Romanowski, Amy Klein, Christine O'Connor, Patricia Schirmer, Kim Reeves, Mary Kay Weinhart and Sandy Uebelacher.

Loyalty Not Outdated

On Sunday, May 3, two Nazareth Academy students, Patricia Brunett and Tina Bloomfield, were among those honored for loyalty and service to their school by the Monroe County Veterans of Foreign Wars.

Both Pat and Tina have been service-oriented since they started high school. Pat has been a Student Council officer and is presently president of Nazareth Academy's Forensics Club.

She has been interested in public speaking and the legal profession. She plans to attend the State College at Oneonta in the Fall.

Tina has worked both during the year and summers at drama — not onstage but backstage. She has been stage manager for Nazareth's drama and musical productions. She plans to attend the State University College at Fredonia in September.

151 Pints in BK Blood Drive

Bishop Kearney High School held its second student/faculty blood drive of the school year earlier this month. Sponsored by the Red Cross and under the direction of Red Cross coordinator, Norma Alexander, and school nurse, Debbie Raymond, the drive collected 151 pints of blood.

Student chairman for the

drive was senior Chris Johnson. His work started in March when he attended Red Cross workshops to learn how to prepare for the drive and how to encourage students to become donors.

"The good cooperation," he said, "from faculty and students helped achieve a successful Blood drive at Bishop Kearney."

Parent Involvement Merits Recognition of Clubs

The National Forum of Catholic Parent Organizations (NFCPO) has awarded the Bishop Kearney High School Mothers and Fathers Clubs an honorable mention.

The honor is in recognition of outstanding service in promoting the parent/teacher partnership in Catholic education. According to Brother Brian M. Walsh, principal, the school is one of three Catholic schools in the area to receive this award.

In granting the award, the NFCPO commended the professionalism and dedication of the Kearney faculty and staff and applauded the talent and enthusiasm of the Kearney parents. The Forum

recognizes that the activities sponsored by the Mothers and Fathers Clubs each year exemplify the care and concern the Kearney family has for each other.

Typical yearly activities sponsored by the clubs include: painting parties that help defray the cost of maintaining the school; the Century Club and Kabaret which raise funds for emergency tuition assistance; and family Masses and retreats.

The motto of the clubs is "taking advantage of a precious opportunity" and according to school sources this award honors the way in which this intention has always been fulfilled.

On The Go

BISHOP KEARNEY

Thursday, May 28 — Assembly schedule, dismissal, 1:45 p.m.; Fathers Club Installation Banquet.
Friday, May 29 — Graduation practice, 1:30 p.m., Eastman Theater.

FLIP YOUR TASSEL WITH NO MONEY HASSLE.

MARINE MIDLAND'S STUDENT LOAN PROGRAM

The average cost of a four-year college education has risen to between \$20,000 and \$35,000. That's a lot to have on your mind while you're in school.

Marine Midland can help you clear your head. So you can think about your grades instead of your finances.

We'll give any qualified student a loan of \$2,500 a year, up to

\$12,500 over the course of five years. And we'll give it to you at a rather attractive interest rate: 9 percent.*

Best of all, you won't have to start paying it back until six months after you graduate, and then you'll have years to repay your loan.

So come in and talk to us about our Student Loan Program. When you tell it to the Marine, we listen to what you say.

MARINE MIDLAND BANK, N.A.

*Current annual percentage rate is 9 percent. Students who have been approved for loans before January 1, 1981 will keep their previous interest rate and terms. However, they may now borrow up to the new loan ceilings.
