

"All were filled with the Holy Spirit and were speaking to themselves in foreign tongues and as the Spirit prompted them."

PROCLAIM IN EVERY TONGUE THE GOOD NEWS

Humanity's Greatest Story—

Humanity's greatest story is the heart of Christianity. It is a story of life and death, of sin and forgiveness. It is, most of all, a story of unending love.

Yet, too often, those with far less compelling stories invest the greatest time in seeking out an audience—reaching people where they live, and work, and relax—through modern media—while the church has relied on its pastors and priests to deliver Christ's message of love and hope in weekly doses.

By supporting the Catholic Communication Campaign, you can help reduce this inequity.

You can help proclaim the message of love to everyone in every tongue.

- A nationally syndicated magazine for television
- Two prime time TV holiday specials.
- The first national Catholic Spanish-language television series.

- Family radio spots.
- Interfaith Media Data System.
- A national Catholic telecommunication satellite
- Involvement in communications law and public
- News service for developing nations.

Through funding by the Catholic Communication Campaign, many other projects important to the church's communication have been left unfunded. Through your gift to the CCC, you can help make these projects possible.

Help PROCLAIM the Good News. Give to the Catholic Communication Campaign.

Next Sunday you will be asked to contribute to the Catholic Communication Campaign, an effort to spread the Good News through television, radio and other media. Half of the money collected will stay in our diocese to support our activities, the other half will go towards a

national effort. Help to multiply His word through media.

We all know of the impact media have on our lives. We know what potential they have for building a better world, if we would only use them.
