

# reversible classic

Sibley's doubles the effort to keep you warm in style!

One super classic to put your money on now: Zero King's versatile zip-front jacket that reverses from handsome wool tweed to sporty British tan poplin of 65% Dacron® polyester/35% cotton.

With easy raglan sleeve styling, flap buttoned pockets, suede elbow patches (both sides!) and nylon knit collar and cuffs. A real coup for right now and colder days ahead. Sizes 38-44, \$125.
