# IF \$2000 TAX-FREE ISN'T ENOUGH, TELL IT TO THE MARINE.

With deposits of \$5000 or more, we'll give you a choice from over 250 free gifts.

\$2,000 tax-free is certainly a good deal. But if you can get more for your money, you'll take it, right? Well then, take your money to the Marine. You can take your choice of one of over 250 gifts when you invest \$5,000 or more in Marine All Savers Certificates.

The All Savers Certificates are a brand-new investment opportunity made possible by an act of Congress. The new law allows couples filing joint returns to earn up to \$2,000 in interest without paying a penny in tax. The full amount can be earned with an investment of only about \$16,474. And because they're tax-free, All Savers Certificates can give you more actual take-home cash than 6 Month CD's, even though the All Savers interest rate is lower. That's why the Marine allows its customers with 6 Month Certificates to withdraw and reinvest in All Savers Certificates without an interest penalty.

But you don't need a lot of money to make All Savers pay off. An individual investor can earn his total allowance of \$1,000 in tax-free interest with an investment of only about \$8,237. You can even earn tax-free interest on investments as low as \$500. There is no other investment fully insured by the FDIC that will yield such a big return so quickly on this size deposit.

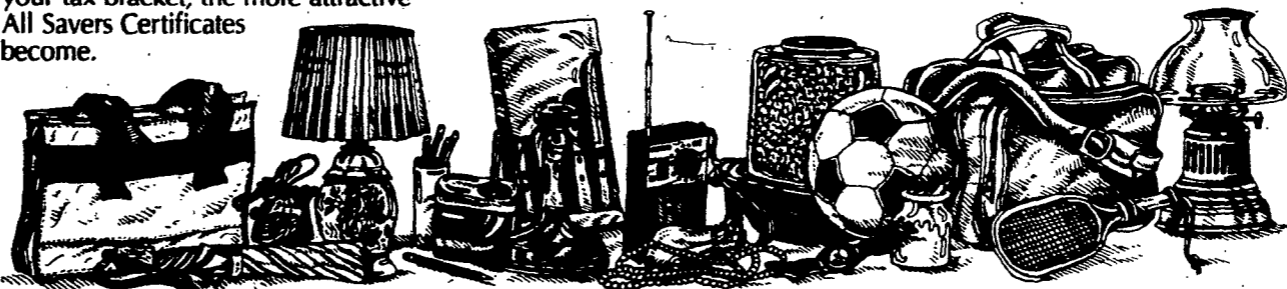

And no one but Marine will give you such a vast selection of gifts when you invest in All Savers Certificates. We have so many beautiful items to choose from, we had to create the Marine Showcase of Gifts catalog just to show them all. So don't settle for just tax-free interest. Take your choice of gifts, too — tell it to the Marine.

TAXABLE INCOME	1982* TAX BRACKET	SAVINGS INVESTMENT	ANNUAL YIELD BANK PAYS	TAXABLE EQUIVALENT YIELD

Effective annual yield on annual rate.

For help in deciding whether All Savers Certificates are right for you, consult the chart at right. Find your approximate taxable income and tax brackets, then compare the before tax equivalent yields of the 6 Month CD's and the All Savers Certificates in your category. As you can see, the higher your tax bracket, the more attractive All Savers Certificates become.
