"Tribute To Poland"

Beginning January 18th, the purchase of Krakow sausage in Star supermarkets will mean aid for the hungry in Poland.

During the week of January 18th and the week of January 25th, Maplecrest will donate 50¢ of the purchase price from each package of Krakow brand sausage sold in the Star chain to the "Tribute to Poland" fund. Money raised through this promotion will be channeled through the local fund-raising Committee and the Diocese of Rochester to the National Council of Bishops in Poland.

Special displays in all area Star Supermarkets will remind shoppers of the promotion.

Shoppers look for Krakow brand sausage at your favorite Star market during the week of January 18 and the week of January 25.

Thank You

As President of Maplecrest Foods. I would like to thank Star markets and its customers for their support in this special promotion to help the needy people in Poland.
