

# Boosters Make Athletics Possible

The aim of the 50-member Aquinas Sports Booster Club is to support the school's

athletics. To do so the club sponsors many fund-raising activities including dinner

clubs, a twenty-week club and a day at Silver Stadium. One event scheduled for the Spring is the Red Wings vs. Richmond baseball game at 2:00 on Sunday, May 2, with the Aquinas/McQuaid game following at 4:30 p.m. Tickets are \$1 and the public is invited.

During the past school year the club has outfitted a new weight room for AQ athletes. Members volunteered to renovate the room and the club donated \$1,500 for the needed equipment. Members have also committed their expertise and time to a long-range maintenance of Stoltze Field, the baseball/soccer/football field behind the school. Last Fall they assisted in placing the score board in the field, and through the club's efforts money was raised for new uniforms for the soccer, basketball, and baseball and track teams.

At a recent meeting of the club, members received the

news of the change of status at Aquinas to a coed school, "with enthusiasm," said Dennis Sadler, athletic director. Interim representative for girls sports at Aquinas will be Kathy Spinelli. She and her husband, Dr. Michael Spinelli, have a St. Agnes freshman daughter who will be enrolling at Aquinas to join her brother, Glen, in his senior year.

The 1982-83 Aquinas Sports Booster officers are, from left: John Benson, secretary; Jim Mills, treasurer; Mike Bonanno, president; Fred Brognia, vice president.
