# Let us entertain you.

How? With music and sports, at locations all over town, all through the summer. Kodak is pleased to sponsor these events, and we hope you'll join us in supporting Rochester's musicians and athletes by

attending them. Like the Lilac Festival Concert by the RPO in May, all entertainment listed here is free and open to the public, though tickets may be necessary in some cases. The sports clinics

are designed for youngsters and preregistration is required. Ready to let us entertain you? Then watch and listen for further details on these and other community events.

Doing more than meets the eye.
