

## Campus life can be more secure with Blue Cross & Blue Shield Coverage

Peace of mind comes with our low cost contract tailored for the student. Coverage goes beyond the regular basic contract to include protection against catastrophic illness. It's good the year 'round, the world over.

Benefits include:

- 120 days in hospital (semi-private room) or college infirmary.
- Over \$3,000 for surgical procedures; no limit to number of different operations covered.
- Up to 120 daily hospital visits by a doctor for non-surgical care.

The cost, including diagnostic x-ray coverage, is less than \$50 per quarter.

You may qualify if you are a full-time student between 19 and 26 years of age.

The eligible student may be a resident of the Rochester Blue Cross & Blue Shield coverage area, or attending a school in the area.

Remember, coverage under the regular family policy ends when a dependent becomes 19.

For complete details call (716)325-3630, or visit our offices at 41 Chestnut Street, Rochester.

*These contracts meet the minimum standards for basic hospital and medical insurance as defined by the New York State Insurance Department. The anticipated loss ratio for this policy is 86.2 percent.*
