

Come to McCurdy's

Goebel Figurine Exhibition

featuring *Hummels *Redheads
*Co-Boys *Amerikids

All the world loves a child, and this perhaps explains the endearing and enduring popularity of Sister Maria Innocentia Hummel's lovable creations, brought to life in porcelain by the artisans of Goebel, ceramic manufacturers in Germany since the 1920's. Now is the time to buy that special Christmas gift or add to your own collection of figurines! We've featured "Sensitive Hunter," an adventuresome lad who's found he doesn't have the heart to kill a furry friend! See one of this area's largest collections of Goebel figurines in our Gift department, on Five at Midtown; also at Long Ridge, Eastview, Northgate, Geneva, and Marketplace.

FREE Hummel Figurines 1983 Calendar

to the first 30 customers who purchase a Goebel figurine. The calendar features a full-color figurine for each month, printed on glossy paper. Use it in '83 — treasure it ever after!

Register to win a Hansel or Gretel doll by Goebel (each a \$50 value)! Twelve winners' names will be drawn.
