

SEE THE JOY OF YOUR THANKS GIVING

The share of monies that are designated for diocesan campus ministries programs is money well spent.

I give joyfully for the blessings I have received. My contributions will help encourage vocations and assist persons of all ages.

The Bishop's Appeal has helped our parish financially, helped our religion teachers, and helped families with problems in our city.

Timothy McCarthy,
St. Patrick's Parish,

I hope the small amount I can give will help promote the work of the Spanish Apostolate, especially in increasing the number of vocations from the Hispanic people. I have witnessed an increase in diocesan services and programs, such as the ministry to Hispanic elderly.

Onelia Vargas,
Holy Redeemer Parish,
Rochester

I was extremely happy that the diocese instituted a parish for the deaf. I feel that our people should do all they can to assist the handicapped in the community.

John Schoenhardt,
St. Joseph's Parish,
Penfield
