

McCurdy's

# Play it again, Santa

This year, Santa's got music on his mind, and he's brought McCurdy's a variety of merry music makers. It's an endearing collection of tuneful toys and decorations, to be cherished by kids and collectors alike. This year take Santa's advice, and give the gift of music to someone you love.

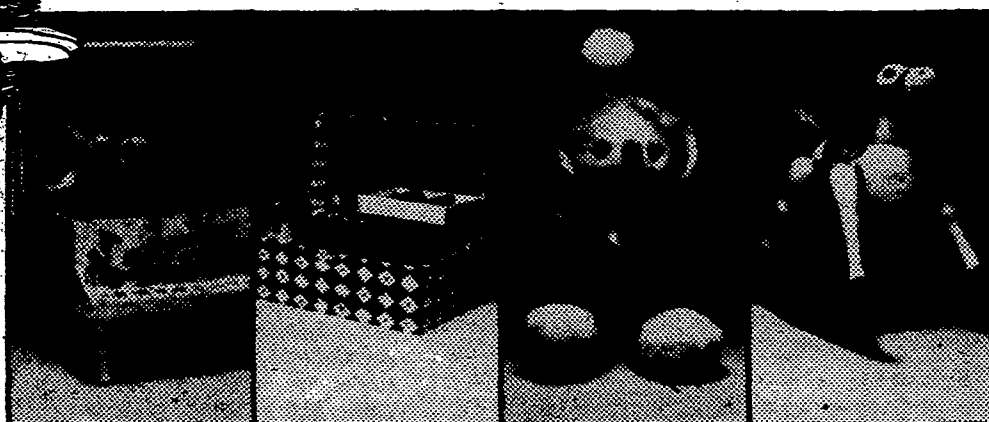

**"Lucinda" by Seymour Mann**

This beautiful reproduction of an antique French doll is reminiscent of days gone by. Hand-painted porcelain bisque face and hands, blue glass eyes. Full-length dress and matching hat made of lace and tulle. She plays, "You Light Up My Life." A delightful doll for collecting and gift giving.
