Let us entertain you.

How? With music and sports, at locations all over town, all through the summer.

Kodak is pleased to offer these events, and we hope you'll join us in supporting

Rochester's musicians and athletes by attending them.

All entertainment listed here is free and open to the public. The soccer clinic is designed for youngsters and

preregistration is required.

Ready to let us entertain you? Then watch and listen for further details on these and other Kodak community events.

Doing more than meets the eye.
