Elmira Charity Unit Presents Scholarships

Elmira -- Elizabeth Kennedy, daughter of Bernard and Mary Kennedy of Horseheads, and Sean Tierney, son of Thomas and Marjorie Tierney, have been named recipients of the Ladies of Charity Scholarship to attend Notre Dame High School.

Both youngsters were chosen on the basis of essays entitled, "Why I Want to Attend Notre Dame High School," principal and teacher recommendation and extracurricular activities and community involvement.

Mary Smith chaired the scholarship selection committee which included Marilyn Burns, Mary Kromer and Rose Kroczyński.

The awards were presented at the society's annual dinner, at which Marie Buckley, president of the national Association of Ladies of Charity of the United States, was featured speaker.

She traced the history of the organization from its founding in 1617 by St. Vincent de Paul who saw the needs of the poor in France, to today when members reach out to help those living in their own communities.

Areas of concern to the Elmira group include the geriatric patients at St. Joseph's Hospital, Safe House, St. Labre Indian Mission and the Elmira Dominican Monastery.

St. James Hospital Honors Volunteers

Hornell -- St. James Mercy Hospital honored its volunteers recently during National Hospital Week ceremonies.

Honored were 52 adult and junior volunteers who gave 50 or more hours of in-hospital service, and 19 members of the RSVP Cluster Group who gave uncounted hours compiling newsletters and brochures for the hospital during 1982.

Sister Mary Rene McNiff, administrator, welcomed the group to the hospital's third recognition dinner, and expressed the appreciation of the hospital to the volunteers for their services given.

Edith McGuckin, public relations director, gave the invocation, and Paul Shephard, associate administrator, spoke about the volunteer program.

Carl Robertson, volunteer director and master of ceremonies, assisted by Julia Koskie and Mary Falzoi, presented certificates of appreciation to those with more than 50 hours of service.

Robertson said during 1982, 12,684 hours of service were given by 141 volunteers delivering Meals on Wheels, working in the gift shop, staffing blood pressure clinics and assisting in the various departments of the

hospital. He also thanked the department of nutrition, administration, public relations, purchasing and graphic arts for their assistance in preparing for the recognition program.

Tribute was paid to Sister Mary Colette who has served the hospital for 40 years. She worked in radiology from 1943 until 1971. Since then she has worked as a pastoral care department volunteer.

A moment of silent prayer was observed in memory of the late Beatrice Mahoney who was an active volunteer for many years until her recent death.

The accreditation follows

an on-site study made last February by representatives of the NLN and the state Education Department.

Loretta Haefele, school director, said, "our facility and staff are happy to have received accreditation for it means that we measure up to standards set by the NLN in improving educational preparation for nursing practice, and that we meet the standards of nursing education as defined by national criteria."
