

Bishop's Peace Group Develops Parish Series

A discussion program on the pastoral letter, "The Challenge of Peace: God's Promise and Our Response," will be available for parishes in Lent, 1984.

The program consists of four sessions, each session two and a half hours long. Special "facilitator's" training for the program has been slated for the beginning

of February and March. According to Maribeth Mancini, chairperson of the diocesan group promoting the pastoral, each parish in the diocese has been invited

to participate in the series, and to send two representatives to the training sessions. James Lund, also a member of the group, said,

"The training will provide parish discussion leaders with both background and information on the document, and process skills for leading discussion effectively."

Parishes interested in pursuing the program were asked to so indicate with the Office of Religious Education by the middle of this month.
