## Catholic Conference Steps Up Effort To Cut Abortion Funds

"We must now intensify our efforts to convince state officials that public funds intended to aid the sick should not be used to destroy the unborn. That is a gross and unjust use of taxpayers' dollars," said J. Alan Davitt, executive director of the New York State Catholic Conference, commenting on the recent passage of the 1985-86 state budget.

The newly adopted budget contains approximately \$15 million in Medicaid funds to be dispersed by the Department of Social Services for the provision of abortion services. Last year this dollar amount directly financed the destruction of 47,000 human lives.

In commenting on his message to all legislators, Archbishop John J. O'Connor, president of the Catholic Conference, noted that public policy steps in

New York State must be taken "to drastically restructure the use of state funds in order to eliminate the destruction of unborn life."

Recent U.S. Census Bureau statistics have placed New York ahead of all states in the nation in the incidence of abortion, with 731 abortions being performed for every 1,000 live births.

Amendments to the budget were introduced in both houses of the state legislature to prohibit the use of state funds for abortions, except as allowed for emergency circumstances by federal law under the Hyde Amendment. The budget change was defeated in the senate by a vote of 25-27 and in the assembly by a margin of 64-79.

"The votes are disappointing because many legislators in both houses did not vote on this vital issue," Davitt said. "Of those who were absent, we had expected that a number of them would support the amendment and help curtail this state's runaway abortion trend."

## A Dream Comes True

**HANGING OUT THE SHINGLE** — Beauty school students display the sign used to announce that the school is open for business.

It all began with a dream that Angelina Calderon, a trained beautician, had to help urban Chilean women learn a trade to improve their lot. With the encouragement and sponsorship of the Sisters of Mercy of Rochester in Chile, Calderon began a beauty school two years ago.

The beauty cooperative started with next to nothing in the chapel of Santa Ana, Santiago. Recently, with donations received from Operation Breadbox, the Sisters of Mercy and private donors, Sr. Margaret Mungovan and Calderon began renting a building to house the beauty school.

Just before class starts, beauty school students display a sign that lets people know they're open for business. The sign reads: "Hairdressing Course Margaret/Cuts — Hair-do's/Permanents/Lights/Tuesdays from 3 to 6 p.m./Voluntary Donations."

Sister Margaret calls the venture a step in "allowing needy Chileans to acquire a marketable skill and enter the economy."

Operation Breadbox, a diocesan Lenten collection, also funds another mission projects — a honey cooperative in Tabasco, Mexico — as well as contributing to a Catholic Relief Service project in Gambia, Africa.

So far, \$3,450 has been received from this Lent's collection within the diocese.

### Oppose Visit To Cemetary

To the Editor:

We, the members of the Commission for Ecumenical and Interreligious Affairs of the Roman Catholic Diocese of Rochester, feel compelled to speak out against the projected visit of President Ronald Reagan to Bitburg cemetery.

The presence of graves of SS officers in Bitburg has a painful significance to the Jewish people and to those who truly cherish human life.

As human beings, we must not allow those who protest against human cruelty and injustice to cry out alone.

## DEATHS

### Sister Mary Marvin Dies at 79

Sister Mary Marvin, SSJ, retired bookkeeper and secretary at St. Joseph's Hospital in Elmira, died Wednesday, April 17, 1985, at Park Ridge Hospital at the age of 79.

A Mass of Christian Burial was celebrated in the St. Joseph Motherhouse Chapel Friday evening, April 19, by Father John Rosse and Monsignor William Shannon.

"She was a nun right to the nth degree," said her niece, Sister Helen Baker of Rochester. "I've known her all my life. She was able to see both sides, and she had a nice little sense of humor. I'll miss her very much."

Sister Mary Marvin began her active ministry in 1927 as a teacher at St. Patrick School in Seneca Falls. A Geneva native and graduate of St. Francis de Sales High School, she entered the order in 1925 from St. Francis de Sales parish. She also studied at St. Bonaventure University.

Sister Mary Marvin was a bookkeeper at St. Joseph's Villa in Rochester from 1942 to 1954. During the previous 12 years, she served as secretary to Mother Sylvester Tindell, general superior of the order.

Retiring in 1975 because of poor health, Sister Mary Marvin entered the Sisters of Saint Joseph infirmary the

following year. Her niece remarked that "her life was patient, and she bore bad health patiently."

In addition to Sister Helen Baker, Sister Mary Marvin is survived by a sister-in-law, Agnes Marvin, and Sister Ann Marvin, both of Waterloo, as well as several other nieces and nephews.
