**FOR YOUR AD TO BE READ,
THE NEWSPAPER MUST BE READ.**
When your customers read the articles in the Courier-Journal, chances are they will read the ads too. If the newspaper they are scanning does not hold their attention; your ad will slip by un-noticed as well.
Based on a McGraw Hill readership survey, the Courier-Journal subscriber has been reading our paper, for 14.6 years, and most of those same subscribers spend an average of nearly 45 minutes reading a typical issue of the Courier Journal. What's more, 87% of all Courier-Journal subscribers spend at least some time looking through or reading at least 3 out of the last 4 issues of the Courier-Journal they had received.
Consider the Courier-Journal for your advertising. Reach over 100,000 readers weekly. With facts and figures like these, it's no wonder the ads get read too.
