**Bottoms up**

Jeff Goulding/Courier-Journal

Ducks along the shores of Canandaigua Lake all seem hungry at once, as they head for the bottom to find their breakfast.

Due to overwhelming response to our semi-monthly Calendar — both from advertisers and those submitting notices — we have decided to resume weekly presentation.

The Calendar lists events for a 10-day period starting on the date of publication, and we hope

readers will save it for reference throughout the week. With its accompanying photographs, the Calendar should be attractive on refrigerator doors!
