

'Spring is sprung' at St. Boniface egg hunt

The Easter Bunny was the star attraction at St. Boniface School's Easter Egg Hunt, held Saturday morning, March 29.

Some 200 children were treated to a party in the school auditorium, where they were given candy, gifts and surprises galore, provided by the Catholic War Veterans. The kids then paraded after the Easter Bunny in a promenade that ended on the church lawn, where they searched for hidden eggs. Those children who found specially designated "lucky eggs" were presented with additional prizes.

The event was organized by a committee comprised of members of the St. Boniface School Board and headed by Kathy Englert.

Raymond Van Vorst passes out milk to the many children at the Easter festivities.

Hurriyet Necdet Aydoyan
Teresa Morgan, 2½, gives the Easter Bunny (Rick Gallagher) a warm hug.

Peter Scahill of Flash in the Pan performs for the children.

Drive Intelligence and a Fisher Degree... an unbeatable combination

Dr. Robert J. Tuite '56
Director,
New Opportunity Development
Eastman Kodak Company

"Right from the beginning, Fisher offered a strong science program. Today it enjoys an excellent reputation among the industrial, research and development community. I have always been impressed by the high percentage of students who go on for an advanced degree. Fisher provides the necessary background for personal and career development."

Fisher grads come from challenging academic programs and are ready for the complex demands of the work world.

Fisher grads have confidence because they receive encouragement and support from their first interview through graduation from a caring staff of trained counselors and superb faculty advisors.

When you choose a college, choose the one that will help you prepare for life and prepare for living.

So Much. So Close.
Come... see for yourself.
