Since it was founded over 125 years ago, Niagara University (enrollment over 2,400 undergraduate students) has helped thousands of students on their way to a successful future. Today, NU offers more than ever before.

Specifically, NU has:

- Strong academic programs where all courses are taught by professional faculty members, not graduate students.
- Low student-faculty ratio (17-1) so students don't get lost in a crowd and can get personalized attention.
- More than 700 different courses and 40 academic programs from which to choose.
- A large amount of financial assistance available to help those from virtually all income levels and economic backgrounds.

BALANCED EDUCATIONAL PROGRAM

NU has an educational philosophy that stresses development of the total individual. At NU, you not only have access to excellent academic programs, but to many cultural, social, and sports activities.

Furthermore, the campus has a friendly and cordial atmosphere where people like and help one another. It is an ideal place to establish friendships that can last a lifetime.

FIVE DIVISIONS

NU has five different academic divisions:

- The College of Arts and Sciences
- The College of Business Administration
- The Institute of Transportation, Travel and Tourism
- The School of Education
- The College of Nursing

MORE THAN 700 COURSES OFFERED

At NU, more than 700 courses are offered, providing you with the opportunity to obtain the kind of education required to meet future career oriented challenges. Many courses are available in the following areas:
