## Father Charles Reynolds, at 86

Father Charles R. Reynolds — retired pastor of St. Thomas Aquinas Church, Leicester; St. Lucy, Retsof; and St. Raphael, Piffard — died Monday evening, October 13, 1986, at St. Ann's Home.

Father Reynolds, born in Ogden on September 9, 1900, was baptized in St. Feehan's Church, which is now located at

the Genesee Country Museum in Mumford. After graduation from St. Andrew's and St. Bernard's seminaries, Father Reynolds was ordained at Old St. Patrick's Cathedral on June 19, 1928. Having served one year as assistant pastor at Corpus Christi Church, Rochester, he was appointed vice chancellor and secretary to Bishop John F.

O'Hern.

After Bishop O'Hern's death in 1933, Father Reynolds centered his priestly work on various parishes in Livingston County, until his retirement in 1971.

Father Reynolds is survived by his nieces, Marion Manion and Rosemary Blanda, and nephews, William Thomas and Charles Reynolds.

Father Reynolds was a gregarious person and was sensitive to the needs of the poor of his area. For many years, he personally delivered hundreds of loaves of Monks' Bread each week from Our Lady of the

Genesee Monastery. Also among his beneficiaries were the inmates of the Livingston County Jail.

Father Reynolds was also intensely interested in photography and left to the diocesan archives countless reels of film chronicling all of Bishop O'Hern's public activities. Another of his great joys was hosting friends and acquaintances in tours through the Salt Mines at Retsof and on trips on the Genesee and Wyoming Railroad.

### Don't Blame Your Age For Poor Hearing

Chicago, Ill. — A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest hearing aid Beltone has ever developed will be given absolutely free to anyone requesting it.

It's yours for the asking, so send for it now. It is not a real hearing aid, but it will show you how tiny hearing help can be. The actual aid weighs less than an eighth of an ounce, and it fits completely into the ear canal.

These models are free, so we suggest you write for yours now. Again, there is no cost, and certainly no obligation. Although a hearing aid may not help everyone, more and more people with hearing losses are being helped. For your free sample write today to: Department 69954, Beltone Electronics Corporation, 4201 West Victoria Street, Chicago, IL 60646.
