Abortion is the deliberate killing of innocent human life. Twenty million such lives have been ended in our nation since 1973 when abortion was legalized. We must stop killing our unborn children. Governor Cuomo fights to continue public funding of abortion. It is not required by the U.S. Supreme Court or the U.S. Constitution. New York is one of only a few states which use tax revenues to pay for abortions.

More than 250 thousand of us sent post cards to the governor this year saying we oppose his using our tax dollars to pay for abortions. We said we would hold the governor accountable on election day. The governor arrogantly refused to even accept delivery of our post cards. Let's keep our promise. Let's hold him accountable.

Voters who are pro-life can't vote for Mario Cuomo on election day because he is pro-abortion. His Republican challenger is both weak and silent on the issue. More importantly, he will not win. A Pro-Life vote for him is wasted. Your vote won't be recognized as a vote for the unborn. Let's make a statement that we support life. On election day vote for Denis Dillon on the Right to Life Line.
