

SQUARING OFF — The Nazareth Academy team — Susan Ickel (from left), Cindy Aleo, Grace Tillinghast and Gretchen Lembeck — face Marshall High competitors in the Oct. 25 "Brain Stormers" show.

Nazareth 'storms' past Marshall on WXXI

A team of four Nazareth Academy students, coached by Sister Carol Cimino, conquered the John Marshall High School team in a fast-paced battle of wits on the October 25 installment of WXXI-TV's "Brain Stormers." Nazareth defeated Marshall by a score of 140 to 95.

The Nazareth team — seniors Cindy Aleo and Grace Tillinghast (captain) and sophomores Gretchen Lembeck and Susan Ickel — will face a four-member team from Romulus High School on January 31, 1987, as the "Brain Stormers" elimination continues. The victors of that second round will go on to the quarterfinals in February.

"Brain Stormers" is a weekly college-bowl-style game show that features high school teams pitted against each other in intense mental combat. Competing teams spar for points on questions ranging from current events to academic subjects.

Thirty-two schools from WXXI's 10-county viewing area will participate in the competition, which will culminate in a championship match in May, 1987.

McQuaid Jesuit High School, the second Catholic school set to participate in the program, is scheduled to oppose School Without Walls on January 17, 1987, at 6 p.m.

said. "When I worked with kids at Planned Parenthood, I couldn't incorporate their belief systems into whatever issues we were dealing with... It feels good being in a place where beliefs are out in the open."

Numbers don't tell the whole story of any program, but they are the tangible measure of success on which continued funding from the state will be based. Between July and mid-October, nearly 250 teenagers and 90 parents have taken part in Life Step programs. "Statistically, we are meeting our goals," Maloney-Smith said. "I feel positive about our prospects for funding next year."

So do state and county social service officials who last month made the first of several visits to observe Life Step and other pregnancy-prevention programs funded by the state. "We were very, very pleased with how the initial phase of the program is going," said Nancy Winter, adolescent pregnancy-prevention program coordinator for Monroe County's community services plan.

Sponsor a Child for Only \$10 a Month.

At last! Here is a \$10 sponsorship program for Americans who are unable to send \$16, \$18, or \$22 a month to help a needy child.

And yet, this is a full sponsorship program because for \$10 a month you will receive:

- a 3 1/2" x 5" photograph of the child you are helping.
- two personal letters from your child each year.
- a complete Sponsorship Kit with your child's case history and a special report about the country where your child lives.
- quarterly issues of our newsletter "Sponsorship News"

All this for only \$10 a month?

Yes—because the Holy Land Christian Mission International believes that many Americans would like to help a needy child. And so we searched for ways to reduce the cost—without reducing the help that goes to the child you sponsor.

For example, unlike some of the other organizations, your child does not write each month, but two letters a year from your child keeps you in contact and, of course, you can write to the child just as often as you wish.

Also, to keep down administrative costs, we do not offer the so-called "trial child" that the other organizations mail to prospective sponsors before the sponsors send any money.

We do not feel that it is fair to the child for a sponsor to decide whether or not to help a child based on a child's photograph or the case history.

Every child who comes to Mission International for help is equally needy!

And to minimize overseas costs, our field workers are citizens of the countries where they serve. Many volunteer their time, working directly with families, orphanages, and schools.

You can make a difference!

\$10 a month may not seem like much help to many Americans, but to a poor family living on an income of \$1.50 or \$2.00 a day, your sponsorship can help make all the difference in the world.

Will you sponsor a child? Your \$10 a month will help provide so much:

- emergency food, clothing and medical care.
- a chance to attend school.
- help for the child's family and community, with counseling on housing, agriculture, nutrition, and other vital areas to help them become self-sufficient.

A child needs your love!

Here is how you can sponsor a child for only \$10 a month immediately:

1. Fill out the coupon and tell us if you want to sponsor a boy or a girl, and check the country of your choice.
2. Or mark the "emergency list" box and we will assign a child to you that most urgently needs to have a sponsor.
3. Send your \$10 in right now and this will eliminate the cost of a "trial child."

Then, in just a few days you will receive your child's name, photograph, and case history.

May we hear from you? We believe that our sponsorship program protects the dignity of the child and the family and at the same time provides Americans with a positive and beautiful way to help a needy youngster.
