

Student speakers to address McQuaid's 30th graduation

The 162 members of the class of 1987 will be the 30th assembly of McQuaid seniors to graduate from the Jesuit high school. Speakers for the event — which is set for 8 p.m. on Friday, June 12, in the Eastman Theatre — will be seniors.

First in his class is Steven Schmidt of Pittsford, who plans to study engineering at Notre Dame University. Another prospective Notre Dame freshman is Kenneth Boehm of Rochester, who is ranked second in the class. Boehm plans to pursue pre-medical studies.
