Parish aims to teach, entertain

St. Louis, Pittsford, Pittsford — The Men's Club and the parish will sponsor a presentation on the bishops' pastoral letter on Catholic social teaching and the U.S. economy Monday, Nov. 23, at 7:15 p.m. in the church.

Dr. David O'Brien, a professor at Holy Cross College and an authority in the field of industrial relations, will lead the discussion. All are welcome to attend this program. For information, call the parish office of Frank Griffin, (716)586-9171.

The parish is also planning to host an ecumenical Thanksgiving Eve service on Wednesday, Nov. 25, at 8 p.m. The service will follow the format of evening prayer, but will also include a homily performed by the Covenant Players, an international repertory theater. The drama entitled, "Is Thanksgiving Really a Turkey?" will reflect such traditions as Christ's use of parables as well as the medieval Church's use of storytelling to challenge people to examine their faith in today's world.

All are welcome to attend the service and a reception scheduled afterward in the school hall.

Choir to present Latin Mass

St. Boniface, Rochester — To begin the Advent season, the parish Liturgy Committee and choir plan to present a Latin Mass in the new rite on Saturday, Nov. 28, at 5 p.m.

Music for the Mass will be taken from the Gregorian tradition, using arrangements by Philip Kreckel, a nationally renowned composer who served as choir director at St. Boniface for many years. All are invited to participate in this traditional ceremony to inaugurate the new Church year.

The Webster Knights of Columbus have donated \$4,000 to Northeast Quadrant Life Support, Inc.

Also known as "Medic 10," the emergency group is attempting to raise \$60,000 to purchase an advanced life-support vehicle and equipment.

Webster Knights of Columbus Grand Knight Andrew Weidman presented the check to Medic 10 founders Robert Karnisky, Eugene Fauz and Gino Tomasino during the K of C's 20th Annual Charity Ball in October.

Fourth graders from St. Theodore's School in Gates prepared for the Feast of All Saints with a walking tour of St. Stanislaus Church. A total of 50 saints are represented in the church's murals, windows and statues.

Teachers and parents accompanied students on the October 27 tour, which was led by Kathy Urbanic, a parishioner at St. Stanislaus. Afterward, Urbanic and her husband, along with another parishioner, Mrs. Oryzk, treated the visitors to Halloween/Holy Eve refreshments.

Students at Mother of Sorrows School raised more than \$9,000 in pledges during their eighth-annual Marathon for Catholic Schools.

Along with faculty and staff members, students walked, ran and jogged a half-mile course approximately 12 times to fulfill their pledges. Although rain dampened some participants and delayed others' participation for several days, their enthusiasm remained high.

Proceeds from their efforts will help provide for the school's needs. Each classroom received 10 percent of the contributions.

An international organization honored a former Elmira fireman and volunteer at St. Joseph's Hospital last month.

The International Association of Fire Chiefs' Foundations and the Volunteer Firemen's Insurance Services, Inc., presented Edward T. Hintz with the Chief Robert W. Little Jr. Humanitarian Award in honor of Hintz' distinguished service to his fire company and community.

Chief Hintz' career as a fireman spanned 35 years. Appointed chief in 1974, he retired in 1985. St. Joseph's was selected as the site for the ceremony in recognition of Hintz' extensive volunteer service to the hospital since his retirement.

Hintz' other activities include volunteer service to St. Peter and Paul Church, the Clemens Center, Kiwanis Club and Elmira Little Theater.

Although Hintz was chosen as the award recipient, his wife Mary was also recognized during the presentation as the other half of an inseparable community-service team.

Parish Notes

Center celebrates 10 years

Corpus Christi, Rochester — Corpus Christi Center is planning an open house for Friday, Nov. 20, to celebrate 10 years of commitment to the people of the Webster/Parsells neighborhood.

Since 1977, when Corpus Christi Parish began renting a storefront in the dilapidated building at 142 Webster Ave., the center has expanded beyond a drop-in center to offer health care, counseling and educational services to residents of the surrounding neighborhood. Professionals on the center's staff, including doctors, nurses and counselors, either donate their time or work for subsistence-level wages.

Corpus Christi Parish's purchase and renovation of the building has also been credited with contributing to a general revitalization of the neighborhood.

Community leaders, parishioners and neighbors are invited to attend the reception, which will take place from 3-6 p.m. For information, contact either Donna DelSanto or Sister Sharon Bailey at (716)288-2634.

Fair to feature programs

St. Salome, Rochester — The social ministry committee will highlight the work of various outreach projects in the City of Rochester at a "Prayer-Care-Share" Fair on Thursday, Nov. 19. The two-hour program begins at 7 p.m. in the school hall, 4280 Culver Road. All are welcome and admission is free. Call (716)323-1160 for information.

Anne Marie LaBue of Rochester has received the Alma Baker Campbell Memorial Scholarship from Boston University's College of Liberal Arts.

The scholarship is awarded each year to a junior or senior who demonstrates high scholastic standing, leadership ability and sensitivity to others through extracurricular activities.

LaBue is a senior majoring in political science and philosophy. A 1984 graduate of Nazareth Academy, she has also received the four-year Harold C. Case Scholarship, one of the highest honors Boston University awards to an undergraduate.

The daughter of Samuel and Kathleen LaBue, she is a member of the Mortar Board and Golden Key honor societies, and serves as president of the university's chapter of Amnesty International.

St. James Mercy Hospital's Capital Fund Drive is approaching the \$1.5 million mark. To date, cash gifts and pledges totaling \$1,055,271 have been received, in addition to the donation of the Elm Street Medical Building, which was given to the hospital by four physicians.

Last spring, hospital officials initiated the campaign to help finance a \$23-million construction and renovation project. In order to qualify for federal loans, at least 10 percent of the cost of renovation must be raised from the local area.

Renovation work is already well underway. A new pollution-free incinerator and vehicle-repair shop were completed last May. The following month, the newly renovated Aquinas Psychiatric Day Treatment Center opened on the first floor of the former Lincoln School.

In late summer remodeling work commenced at MercyCare (the former Bethesda Hospital building). By Christmas, a new dialysis center and a 55-bed residential health-care facility should also be in use.

Among the projects slated for 1988 are an expanded Emergency Services Department and surgical suite, and an all-new Intensive Care-Coronary Care Unit as well as a 20-bed Alcohol Rehabilitation program and an adult day-care program.
