## ADVERTISING IS A NUMBERS GAME ...

### AND WE'VE GOT THE NUMBERS!

Over 100,000 Readers Every Week

No newspaper knows for sure exactly how many of its readers will notice every advertisement, and of those who do see it ... how many will act upon it. But it's a pretty sure bet that the more people your ad reaches, the greater the chances your ad will be seen ... and the greater the likelihood for getting response; which is really what advertising's all about.

## Parish Notes

### St. John's plans addition

St. John of Rochester, Perinton — The parish has announced plans to build a \$750,000 parish family center.

The facility, to be built as an addition to the parish school, will include a general assembly hall, which can also be used as a gymnasium, and six 50-person meeting rooms. It will also provide space for a new cafeteria, a kitchen and a stage.

The 25-year-old parish has grown from 400 to more than 1,800 families, making the expansion necessary.
