El Salvador delegation returns

Corpus Christi, Rochester — The four-person delegation to the parish's sister parish of Santa Marta, El Salvador, returned on Friday, Oct. 14. The group had traveled to the country a week earlier to celebrate the rebuilding of the town of Santa Marta in a spot a few kilometers from its former location near the border with Honduras. The original town had been destroyed when the army drove its inhabitants out in 1980 in an attempt to destroy sanctuaries for anti-government guerrillas.

Despite being given permission beforehand from the government to visit the parish, the delegation was stopped twice, on October 8 and 9, at a military checkpoint and refused passage to the parish, according to parish spokeswoman, Carole Farley-Toombs. Corpus Christi parishioners sent messages to the area's commanding general complaining of the group's delay. On their third try, on October 10, the group was allowed to travel to Santa Marta.

The delegation participated in celebrations commemorating the first anniversary of the inhabitants' return in October of last year. Members of the group also spoke to numerous victims of torture and harassment by the Sal-

Christopher O'Connor, a senior at Iona College, New Rochelle, N.Y., was inducted into Iona's chapter of Delta Epsilon Sigma on October 15. Delta Epsilon Sigma is a society of students achieving high academic excellence within colleges of a Catholic tradition. Earlier this year, O'Connor, a graduate of Bishop Kearney High School and St. Louis Grammar School, was also inducted into Sigma Tau Delta, an international English honor society.

Bishop Kearney High School has been notified by National Merit Scholarship Corporation that seniors **Joseph Adams**, **Michael Hincheliffe**, **Steven Tickell** and **Cheryl Batisti** have been designated commended students in the 1989 National Merit Scholarship Program. The commended student designation indicates that the students finished among the top five percent of the more than one million students who took the PSAT/NMSQT examination in October, 1987.

Thomas J. Demott, a member of St. John of Rochester Parish and a graduate of St. John Fisher College, has become a partner in Suss, DeMott & Smith, a new Rochester-based accounting and financial services firm. He is also a member of the advisory committee for St. John Fisher College.

St. Joseph's Villa has named **Mary Jane Brennan** principal of the Villa's campus school. She holds a Master's degree in Education from Nazareth College, and is a certified special education teacher. Prior to her appointment, she was a senior high level teacher in the Villa's Residential Treatment Facility program. She is also an adjunct instructor in Nazareth College's special education department.

Parish Notes

vadoran military.

Paul Kuppinger, one of the delegation members, said that the military denied the group entry into the nearby village of San Jose de las Flores, which had also been established in the resettlement. Another American delegation had already been allowed to go through to San Jose de las Flores before the Corpus Christi group tried. The army then came through and shot up that settlement, Kuppinger said.

The delegation found no support for the Salvadoran government during their travels, Kuppinger noted. "It's generally felt that if (U.S.) aid to El Salvador would cease, that the government would fall in a pretty short time," he said. Kuppinger remarked that he had taken hundreds of photographs in El Salvador and that he planned to use them to create a slide show to educate the public about the situation there.

Christian group to perform

St. Joseph's, Penfield, and St. John the Evangelist, Greece — A six-member group called Spiritsong from the Franciscan University of Steubenville, Ohio, will present a concert of modern Christian music on Tuesday, Nov. 8, at 7 p.m. at St. Joseph's Church, and on Wednesday, Nov. 9, at St. John the Evangelist.

Spiritsong developed from the Franciscan University's campus music ministry program, which started in 1979. Each year, new students from the university join the group and travel throughout the United States and Canada. This year's tour will stop in 150 locations.
