### WANTED: KNIGHTS TO HELP KNIGHTS

As most of you know, the Order's insurance program provides needed insurance coverage to over one million policyholders. We currently have in excess of \$14 billion of life insurance in force.

Our insurance representatives are well-equipped to offer a policy review service to every member. How does this free service help you and your family? It can provide you with an up-to-date record of all your insurance, regardless of company, and assure that all of your beneficiary provisions are reviewed and correct. It can also help you determine your needs in the following areas:

- Continued income to your family at the time of your death
- A college fund for your children whether you live or die
- Keeping your family in their home by paying the balance of your mortgage if you die
- A retirement income for you and your wife as long as either of you live
- Funds for emergencies or financial opportunities
- Income for your family if you are disabled and unable to work

A pretty impressive list, isn't it? Would you like to help provide these benefits and services to your Brother Knights and their families? Would you like to know more about how you can become an insurance representative?

Because of the growth of the Order's insurance program, we are in need of Knights who can represent the Order as agents, or, if qualified, even supervisory and/or management positions may be available. If you are presently in the insurance business and would like to know if you qualify for any of these positions, or if you have no insurance experience and would like to know if you could qualify as a representative, telephone or write:
