about the mistakes we've been making, and we're going to try and put them all behind us."

Andy Shucra collected three goals and one assist for Webster. Teammates Mark Simpson and Dan Gunther had two goals and two assists.

Midfielder Mark Schicker had two goals for Kearney. Jon Hand (one goal, two assists) and Ryan Kennerson (one goal) also scored for the Kings.

The Kearney scorebook showed Webster with a 28-19 advantage in total shots. BK goalie John Werner had 17 saves.

The Kings came back from a disastrous first quarter against visiting Pittsford on Friday, May 5, but eventually fell to the Vikings, 10-7, in non-league lacrosse.

Pittsford jumped out to a 4-0 lead after one quarter, but Kearney tied the game, 5-5, at the half. The Kings actually took a 7-6 lead into the fourth quarter, but the Vikings scored four unanswered goals to win.

"We weren't ready to play in the first quarter," said Burns, whose team beat Pittsford 7-6 April 11 for Kearney's first win ever against a Monroe County League lacrosse team. "But the next two quarters were the best I've seen us play."

As has been the case for most of the season, Peter Russell and Dave Chaney were the offense for Pittsford. Russell scored five times and Chaney notched four goals.

Hand, who has become the team's leading scorer while midfielder Beaver Smith has been out of the lineup, scored four goals for Kearney. According to Burns, Hand had 28 goals for the season heading

into this week's action.

Schicker collected one goal and two assists against Pittsford, and defenseman Craig Chodak scored his first goal of the season.

The Kings have now lost three of the four games they've played without Smith and goalie Mark Hall, who were both academically ineligible to play until at least May 9.

And even though his team has dropped three consecutive games — all close contests against Monroe County League teams — Burns said he sees a silver lining in the cloud that has his Kings flirting with .500 after winning six of their first eight games.

"Mark Schicker has three goals in his last two games, and he was virtually unheard of before we lost Beaver," said Burns, who added that several players have become more involved in the team's offense with Smith out of the lineup. "Even though we've lost these games, we've been in every one."

The Kings are still hoping to get Smith and Hall back this week for a game against Rush-Henrietta (May 8) and a rescheduled contest against Fairport (May 12). Kearney is also scheduled to play at home and under the lights against McQuaid this Saturday, May 13, at 8 p.m.

In other non-league lacrosse action from last week, McQuaid dropped a 14-0 decision to host Pittsford (6-6) on Saturday, May 6. Chaney and Mike Eckert had four goals each for the Vikings. Chaney also dishd out five assists.

Cardinal Mooney lost to host Rush-Henrietta, 10-3, on Wednesday, May 3. Ron Schneider (five goals) and Kevin Cox (one goal, six assists) powered the R-H offense.

DeSales

Pane improved his record to 3-0 for the season with the win. The sophomore pitched a five-hitter, struck out eight batter and walked just one.

DeSales trailed Red Jacket, 6-4, on Thursday, May 4, before scoring four runs with two out in the bottom of the seventh inning to win, 8-6.

The Saints, who were helped by two crucial errors by the Indians, got three hits and two RBI apiece from Steve Vedora and Matt Cannon. Jim Vedora (2-0) pitched a nine-hitter and walked two before he was relieved by Pane with one out in the seventh.

DeSales' Dean Askin began the seventh-inning rally by walking with one out. He advanced to second on a single by Ron Cecere. After Paul Priebe hit into a force-out at third base for the second out, McDermott reached on an error.

Joe Vedora followed with a fly ball to left-center field that was misplayed, scoring all three runners. Cannon singled home Joe Vedora for the fourth run.

Although he knew his team was fortunate to emerge with two wins last week, DeSales head coach Frank Pane was pleased by the way his team was starting to hit the ball.

"We're starting to hit the ball a lot better, especially the Honeoye game," said Pane, whose team was scheduled to play Bloomfield, Naples, South Seneca and Romulus this week.

He added that the team's pitching has been superb, with a strikeout/walk ratio of about 7-to-1. DeSales was in first place at the beginning of the week, followed by Honeoye (6-1), Red Jacket (5-1) and Naples (3-2).

Elmira Notre Dame (1-5, 3-10) sandwiched a win against Hornell between a loss to Elmira Free Academy and a no-decision to Corning West last week.

The Crusaders came from behind to nip Hornell, 3-2, at home on Wednesday, May 3. Bob Grosvenor (2-3) got the win for John Cain's Crusaders.

Brian Sheehan tied the game, 2-2, in the fifth inning with a double with two out. Mike Mustico's single scored Chris Jurusik, who had doubled, with the winning run in the sixth inning.

Elmira Free Academy used a four-run fifth inning to beat host Notre Dame, 9-8, on Friday, May 5. Chris Berrattini, who pitched a game down South for the Crusaders, took the loss. He allowed just one walk but was hurt by several key errors.

Grosvenor had a single, triple and two RBI for ND. Berrattini had three hits (one double, two singles) for the Crusaders, who were also bolstered by Sheehan (two singles, one run batted in) and Jurusik (one single, one double, one run batted in).

In a game that was called because of darkness on Thursday, May 4, Corning West led ND, 15-11, in the bottom of the ninth inning. The game will be picked up at a later date.

The score was tied, 11-11, after seven innings.
