Almighty and eternal God,
in your unfailing love you have provided ministers for
your Church.
Grant us in our day
worthy and fitting priests
to serve and sanctify your people.
Inspire a generous and courageous response
in the hearts of your people,
and increase the ranks of the Order of Priests.
Confirm and sustain those who are already ordained
to carry on the work of Christ, the Good Shepherd,
preaching the Gospel and bringing your holy people
into one in Christ.
We make this prayer in the name of Christ the Lord
Amen
