GET AN EDGE ON LIFE AND AN EDGE ON COLLEGE.

The Army can help you get an edge on a college education.

When you enlist for skill training in one of over fifty specialties, you could qualify for the Montgomery GI Bill Plus the Army College Fund and earn seventeen thousand dollars in college money with a two year enlistment.

It's true that you'll start college two years later than planned, but you'll be a whole lot wiser, more mature and seventeen thousand dollars richer.

The Army is a learning experience in itself, one that can give you an edge on life. Call your local Army Recruiter and ask about our special Two-Year Enlistment.
