the end of the home and allows

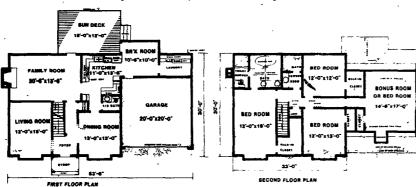

close by and cabinets are in abundance. A spacious breakfast room is shown, also with access to the sun deck, as well as the double garage and the separate laundry room. A central half bath is included for daytime convenience on the first floor.

There are there bedrooms it.

with separate shower and commode area. The bonus room also may be finished as a bedroom either during construction or later by the household handyman.

The exterior style is constructed of stucco and the windows are multi-lite accented by wood panies, between Comper Organic and the style of the construction of the constructi ed of stucco and the windows are multi-lite accented by wood pan-els between. Corner quoins are added to enhance the beauty of this plan and a dormer window is shown for extra light to the bostairs, all with excellent closet space, the master bedroom hav-ing access to the luxury bath

plan
The plan is Number 2550, it includes 2,586 square feet of heated area, All W.D. Farmer plans include construction details for energy efficiency and are drawn to meet FHA and VA requirements.

If you're 55 years or older, we'd like your input on a Rochester based retirement, community that would consist of small' homes, townhouses and highrises with all conveniences. This is strictly a survey of your interests. As you may know the median retirement age is growing at a rapid pace, yet availability of such a community is not. We'd like your opinions including location ideas.

Call us at 244-5940 or Write Farash Home Improvement, 2815 Monroe Ave., Rochester, NY 14618.

Another innovative idea from Farash.

We are also involved in all phases of home improvement, and build quality homes - your plan and land or ours. Financing available.

TAKE YOUR PICK OF UP TO
