All Inclusive Vacations...A One Price Paradise

By Tom Milgate
Aristocrat Travel

When planning a vacation, terms like rest, relaxation, stress-free, good value, and recreation come to mind for most people. Determining what you want from a vacation is not difficult; it's the actual planning and trying to get the most for your money which is the real challenge. Today's fast-paced lifestyles generally don't allow the time to properly research or plan a vacation, yet everyone needs to get away and getting the most for your money is usually a concern. At Aristocrat Travel we believe that an all-inclusive vacation package is the best travel value available today when considering a land vacation; and it is certainly the most hassle-free for you to plan.

Adventure Tours of Toronto, Canada is one of the leaders in the travel industry for all-inclusive vacation packages. They introduced the concept of the all-inclusive vacation and their Jack Tar Villages are recognized internationally for their genuine travel value. Jack Tar Villages are designed with comfort and relaxation in mind and they offer casual, worry-free atmospheres. An all-inclusive vacation at a Jack Tar Village Beach Resort is a vacation where "cash is optional" - you can even put your credit cards

away until you get home because you pay for everything in advance. Included in a Jack Tar Village Beach Resort vacation are the following:

- * Round-trip air transportation
- * Inflight meals and complimentary beverages
- * Transfers and baggage handling between airport and village
- * Accommodation at the Village
- * All meals during your stay (breakfasts, lunches, dinners and late night snacks)
- * All drinks during your stay (house wine, domestic beer and cocktails)
- * Tennis
- * Numerous water sports such as sailing and snorkeling
- * Free activities such as volleyball and shuffleboard
- * Daily activities program
- * Nightly entertainment
- * All room taxes and gratuities
- * Welcome briefing by an Adventure Tours Representative
- * Resident Representative Service

Adventure Tours currently offers all-inclusive Jack Tar Village vacations at five different destinations (Mexico, Grand Bahamas, Jamaica, The Dominican Republic, and St. Kitts). Each of the resorts reflect the flavour of its host country and each is different due to the geography, weather, language and customs of that country. The newest Jack Tar Village in Nuevo Vallarta, Mexico offers a taste of Mexico with North American conveniences. It has a spectacular location and an ideal climate and offers interesting shopping (resort clothing and Mexican arts and crafts). The resort at West End Grand Bahamas is great for those interested in snorkeling, waterskiing and sailing (they provide all of the equipment) and there is a 27-hole golf course bordering the Village. Jack Tar Village Montego Bay is known for its charm and sun-drenched beaches and the Villages in Puerto Plata, Dominican Republic and St. Kitts both offer casinos.

Adventure Tours was the innovator in all-inclusive vacations, but other tour companies have followed and there are many destinations available. When thinking about your next vacation, think about all of the added expenses which you can have if meals, activities, entertainment, and tips are not included. If the idea of a "cashless" vacation and a wide variety of activities appeals to you, consider an all-inclusive resort for your next vacation.
