

Auburn man baffles kids with bubbles

Babette G. Augustin/Staff photographer
 "Bubbologist," clown, actor and all-around fun guy Casey Carle has a tendency to blow away his audiences. His repertoire includes the Mickey Mouse bubble, the snowman bubble, the square bubble, and even a spaceship bubble — nothing is too difficult for the Auburn resident. Carle, who developed his "Bubblemania" show while touring as a clown with Ringling Bros. and Barnum & Bailey Circus, sees bubbles as universal because they confront no language barriers.
