

Parish census planned

GATES — Holy Ghost Church is asking that all residents within the parish boundaries be at home on May 6 from 1-5 p.m. so that a door-to-door census can be conducted. The parish boundaries are defined by Lyell Road to the north, Pixley Road to the east, the western crossway and part of Chestnut Ridge to the south, and an imaginary line which would take in parts of Hutchins Road and Brower Road to the west.

The parish has been divided into 10 subdivisions, and each subdivision will be canvassed by seven to 10 home visitors. Local police, town officials, Catholic and non-Catholic churches and apartment complexes have been contacted for support in the census.

Father Alexander H. Bradshaw, pastor, and Father Peter Bayer, diocesan chancellor, initiated the plan to conduct the census. A coordinating committee is organizing and directing the effort. For information, call the parish at 716/247-3535.
