Art Students Wanted

Train for a career in a year!

Start on your way to an art career in a year by taking a 10-month program at Graphic Careers Inc., a school specializing in commercial art. All you need is a basic drawing ability. You get 10 months of hands-on training and experience. Learn art by creating art in your own personal studio setting. With close, personal instructions by experienced, working artists. Graphic Careers Inc. is licensed by the New York State Education Department.

Act now! Limited openings!

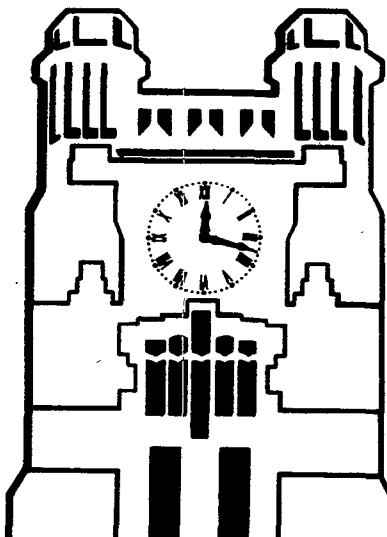

For a free brochure, send coupon, write or call today for openings in the upcoming semester. Our class size is limited to 32 students.

Phone (716) 271-4900 today!
