Finally, Hearing Made Easy!

TV Celebrity Tom Bosley

Introducing new technology that's music to your ears: The new Electone Rechargeable hearing instruments.

These unique in-the-ear style hearing instruments are fully rechargeable, so you'll never have to buy and replace regular hearing instrument batteries again.

- Especially good for nerve deafness and those who can hear, but often can't make out what's being said.
- Comes with an easy-to-use charging case.
- Rechargeable cell is guaranteed continuous operation for one year and is suggested by environmentalists.
- Custom-built for your ear and hearing loss

It's Hearing Made Easy!

The Electone Rechargeables are now available at:
