WHERE

**Bright
Futures
BEGIN**

Since it was founded by the Vincen-tian fathers over 130 years ago, Niagara University (enrollment over 2,200 undergraduate students) has helped thousands of students on their way to a successful future. Today, NU offers more than ever before.

Specifically, NU has:

- Strong academic programs where all courses are taught by professional faculty members, not graduate students.
- Low student-faculty ratio (17-1) so students don't get lost in a crowd and can get personalized attention.
- More than 800 different courses and over 50 academic programs from which to choose.
- A large amount of financial assistance available to help those from virtually all income levels and economic backgrounds.
