EDUCATING TODAY'S YOUNG WOMEN
FOR TOMORROW'S WORLD

Look Again.

Sometimes we overlook the best things in life when they're right under our noses.

Nazareth College of Rochester offers more on its 75-acre wooded campus than beauty. The college offers a curriculum that encompasses more than 40 major areas of study; a curriculum designed to teach those skills that will always be in demand -- the ability to write and speak well, the ability to problem solve, and the ability to think critically.
