"McQuaid was a great choice for me. In my four years at McQuaid I learned that it is not enough for people to respect you for what you know, or what you have, but who you are as a person. For the best of all worlds - academic, athletic, and social - consider McQuaid!"

Solid

The best preparation for a solid career is a solid education. Delivering a solid education has been the mission of Canisius College since 1870.

Canisius, a solid investment, has been cited as one of the "Best Buys" academically and financially in the United States. As such, Canisius is featured in *Barrons 300 Best Buys In College Education* and *The Best Buys In College Education* by *New York Times* Editor Edward B. Fiske.
