## NO WONDER WE'RE A BEST BUY

When the New York Times, Barron's and Money magazine call you one of America's best college buys, it means you're doing something right.

But we already knew that.

We knew it from the success of our graduates. La Salle ranks 10th among the nation's liberal arts colleges in the number of graduates who are top corporate leaders.

We knew it from the quality of our programs. La Salle's Honors Program and Writing Across the Curriculum Program serve as national models.

And we knew it because of our reputation for teaching. La Salle is known and respected around the country for its commitment to teaching and to the individual student.

Success, quality, dedication to students. No wonder we're a best buy.

## IT TAKES MONEY TO MAKE MONEY!

Financial Aid Finders can help you find the money for the higher education that will assure your student a rewarding future.

More than \$4,000,000,000 in financial assistance is available to students annually.

Financial Aid Finders can find six to 25 sources of financial assistance appropriate to your students.

A new computerized service, Financial Aid Finders has researched thousands of sources of financial aid, and fed the results of that research into its vast data banks.

When your student completes a detailed Student Data-form, the programmed computer gets to work selecting the sources of assistance just right for him or her.

Processing fee is only \$59.95. Results are guaranteed.

... the service you can't afford not to use.
