The James Group has lowered the base prices of all our portfolio homes at Chestnut, Sunset Hill and Whispering Winds. In addition, we've increased our impressive list of standard features to include central air conditioning, wood deck, fireplace, ceramic foyer, wood railings, full kitchen appliance package, asphalt drive, seeded lawn, landscaping program and more!

Every Perna Home features award winning design, craftsman-quality construction and our service/warranty program. It all adds up to worry-free living in a home with lasting value, now at an incredible savings.

And if that's not enough to get you packing—mortgage rates are close to a 10 year low—it couldn't be a better time to move up to a Perna Home.

Visit the communities more and more Rochester families are calling home. Experience the neighborhoods built around open park lands connected by walking paths. Our model homes at Chestnut and Whispering

Winds are open daily 3-8pm, weekends noon-6pm. For more information call 889-2010 or 889-9004.
