

The abortionists want to take my home

and put my family of eight out on the street.

Dear Courier Reader,

Before I tell you why the abortionists are attacking my family through a vicious and unjust lawsuit, let me tell you something about myself.

My name is Conrad Wojnar. In 1985 I resigned from a promising career to devote full time to saving babies from abortion. I founded Des Plaines Pro-Life, which runs four problem pregnancy centers in the Chicago area.

I've never regretted turning my back on financial security and stepping out in faith to work in the pro-life movement. You see, our four centers saved 811 babies last year. Babies that would have been killed if our pregnancy centers were not there to save them.

I wish you were here in my office with me right now so I could show you our scrapbook of pictures of all the little babies we have saved from abortion.

Now that you know something about me, I'll tell you why the abortionists are suing me. My "crime" is that I helped assure Christian burial for over 5,000 babies killed by abortion. The bodies of these poor babies had been set out with the garbage, along with coffee grounds and cigarette butts.

Pro-abortion fanatic Molly Yard and her radical National Organization for Women (N.O.W.) are bringing this federal class-action lawsuit against me on behalf of all abortion mills in the country.

The lawsuit accuses me of being a "racketeer" just because I helped give these poor, aborted children a Christian burial.

The lawsuit is so outrageous that a federal judge recently threw the case out, but the abortionists appealed the judge's ruling, forcing me to continue defending myself.

If the baby killers win this lawsuit, they will be awarded *triple damages*, and I'll be financially ruined. My family of eight could be turned out on the street. What's even worse, our four pregnancy centers would have to close their doors. Hundreds of babies will

die if our centers are not there to save them.

Right now I face a *severe financial crisis*. To pay the bills, I've had to take nearly \$20,000 out of my now-depleted pension fund. I need your help immediately.

When you send your tax deductible gift of \$30 or more, I'll gladly send you, as a token of appreciation, your free copy of the new video tape of pro-life heroine Joan Andrews and Bishop Austin Vaughan, who spoke at our banquet. (For a gift of \$15, I'll send you a free audio cassette of Joan and the Bishop.)

For a donation of \$50 or more, you'll receive, in addition to your free video tape, a Lifesavers Certificate suitable for framing, personally inscribed with your name and listing

the names and birthdates of hundreds of babies our pregnancy centers have saved.

I pray that someone will be able to donate \$100, \$500, or more. But I'll also be deeply grateful for the "Widow's Mite" that is so precious to the Lord.

Do you want us to be able to save more babies? Since you've read this far, I'm sure you do. The way to help us is to send us your sacrificial gift now, *right now*, today. *Don't wait*. I'm counting on you to help in this emergency. My wife and six children will be grateful, too. Make your check out to Des Plaines Pro-Life, and *send it today*.

Yours in the Lord,

Conrad S. Wojnar

P.S. Remember, we must raise an extra \$78,500 within the next 30 days to keep my four baby-saving centers open and continue my legal defense. I must pay our legal bill and meet the other needs of our centers, so we can save hundreds more babies from a horrible death by abortion. So please help us help the babies. Send your sacrificial gift today.

Rep. Henry Hyde says:

"Conrad Wojnar and Des Plaines Pro-Life are engaged in the most important work of our time: saving the innocent preborn babies. I pray you will support their work."

I'll help you defeat the abortionists and save the babies.

Yes, Conrad. I'll help you keep your four baby-saving centers open. Here's my tax deductible gift for your urgent legal defense and your baby-saving work.
