Society of the Divine Word Gift Annuities

## You Can Increase Your Security

If you are over 55, a Society of the Divine Word Gift Annuity can enhance your financial planning for retirement. At a time in your life when you need every cent of your income, why risk unstable markets plus unnecessary taxes.

### High Rates of Return

Your Society of the Divine Word Gift Annuity will bring you high rates of return and significant tax savings while you help to educate priests and brothers for our home and overseas missions. For example, a man (age 70) would enjoy an annual return of 9.7%.

### Tax Advantages

Because the income from your Gift Annuity is classified in part as a return of principal which was a charitable donation, some of those dollars will be tax-exempt.

### Complete Safety

The Society of the Divine Word pioneered the first Catholic-sponsored annuity program in the United States in 1904. For almost 90 years, our annuitants have enjoyed the security of a reliable income and the satisfaction of knowing they're doing their part to bring God's love to the poor.

### Choose Security and Satisfaction Now

You can make a living on your investments, but you can only make a life on what you give. A Society of the Divine Word Gift Annuity will help you do both. Send now for details.

The Society of the Divine Word is a worldwide Catholic mission society committed to preaching the Gospel in more than 55 countries.

## Hidden Meadows Hosts Second Annual Benefit Breakfast

The second annual Hidden Meadows benefit breakfast was held Saturday, January 25 to raise funds for the Bergen Rescue Squad and Fire Department.

"The residents at Hidden Meadows are quick to join forces in responding to the needs of the community. Everyone is very supportive and eager to help out when it comes to matters such as this. They really care," said Donna Ehrmen-

traut, Vice President of Hidden Meadows.

According to chairperson Jane White, last year's breakfast was a huge success, and has now become an annual event. "We served over 350 breakfasts and raised \$1350.00 which was used to purchase new equipment for the rescue squad. This year we expect an even larger turnout," White added.

"Every family reunion we go to Mom's house. Trouble is, the next day we leave."

Spending holidays with Mom can be tough. They can remind you of all the days you can't spend with her. That's why there's Lifeline. A very special service that calls for help when you can't be there. Activated by the push of a button, it puts you in touch with trained professionals who know everything about her: her age, her

address, her medical conditions. Plus the phone numbers of neighbors and relatives who can assist when an ambulance isn't necessary. Lifeline is someone you can trust to watch over your loved one every hour of every day. Someone you can call a friend. Because a visit to Mom's house should make you feel good, not guilty.
