

PART LAWN MOWER. PART FERTILIZER SPREADER.

*Model 20218
The Recycler® Mower
21" self-propelled
with Zone start*

THE TORO® RECYCLER® MOWER RETURNS VALUABLE NUTRIENTS TO YOUR LAWN AS YOU MOW.

- Now you can keep a healthy, beautiful lawn without bagging.
- The patented Recycler® mower cuts grass into fine clippings.
- The clippings won't contribute to thatch; they enrich and strengthen your lawn by returning valuable nutrients.

Haven't you done without a Toro long enough?®
