**Introducing the SecretEar Canal Aid.**

Now there's one sure way to enjoy better hearing without others ever knowing that you're wearing a hearing aid: By wearing the SecretEar canal aid.

Even though SecretEar is so tiny, you'll be amazed at what a big improvement it will make in your hearing and understanding. That's because SecretEar is custommade for your exact hearing requirements. And it contains sophisticated circuitry that maximizes your ear canal's natural resonance, giving you a clearer, more natural sound.

If you've been ignoring a hearing problem because you didn't want others to know, the tiny SecretEar is just what you've been waiting for. And it will probably be the best-kept secret you'll ever have.
