They think they're covered for long-term care.

But they're wrong.

It's an age-old story. A couple thinks their health insurance plan provides complete coverage. Until one of them needs long-term care services. Suddenly, they've got a big financial problem. Because neither traditional health insurance nor Medicare covers long-term care.

Now, there's a way they can protect themselves from the high costs of long-term care.

It's Care Directions®

The flexible plan from Finger Lakes Long Term Care Insurance Company. Care Directions covers virtually any long-term care services you'll need. From custodial care at home or in an adult day care center. To care in a nursing home, if you need it.

Do something now, before long-term care becomes a problem to you. Find out more about Care Directions.

Don't Blame Your Age For Poor Hearing.

Chicago, Ill. — A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest hearing aid Beltone has ever developed will be given absolutely free to anyone requesting it.

It's yours for the asking, so send for it now. It is not a real hearing aid, but it will show you how tiny hearing help can be. The actual aid weighs less than an eighth of an ounce, and it fits completely into the ear canal.

These models are free, so we suggest you write for yours now. Again, there is no cost, and certainly no obligation. Although a hearing aid may not help everyone, more and more people with hearing losses are being helped. For your free sample send your name, address, and phone number today to: Department 05574, Beltone Electronics Corporation, 4201 West Victoria Street, Chicago, Illinois 60646.
